

COMPLIANCE REPORTING IN ARISTOTLE 360

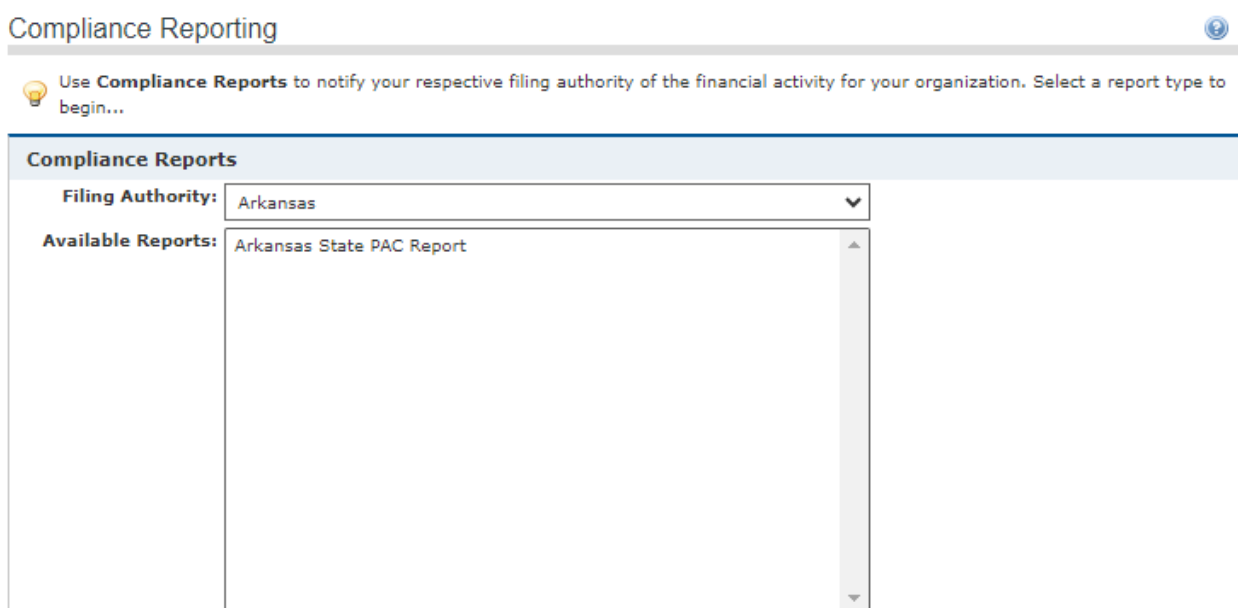

Generating State and Federal Compliance Reports in Aristotle 360

This guides you through pulling your state campaign finance/compliance reports in Aristotle 360. All compliance reports in Aristotle 360 meet the requirements set by your state Ethics Commission or Board of Elections. Aristotle compliance reports require individual and organization receipt data to be correctly entered. It is strongly recommended that state associations enter disbursements data into 360 as well.

1. Go to Reporting → Compliance Reports

2. Select your Filing Authority from the dropdown menu and then select your state report.

3. Select your accounts that you are required to file on.
